I want to mentioned that the visuals in the game is nicely done. The visuals can be adjusted in the game's option menu.

Game Audio

I want to mentioned that audio for the game is well done. Even though the audio is somewhat simplistic and repetitive. The audio can be adjusted in the game's option menu as well.

The hidden object scenes consists of the following: Traditional word lists; Shadow items; Find 'x' amount items. Some of these hidden object scenes may require little or no interactions. Most of the hidden object scenes can be replayed in the game's extra feature section.

Bubble Popper is an optional mini game that is only available during hidden object scenes.

The puzzles are fairly easy to solve without having the need to skip any of theme. Most of the puzzles can be replayed in the game's extra feature section.

There is a collectible in the game: Flower. They are scattered throughout the game for the player to find.

There are beyond objects (morphing objects.) They are scattered throughout the game for the player to find as well.

There are eighteen different achievements to unlock from playing the game. Each of these achievements does come with some requirements that needs to be completed before they can be unlocked. These achievements are in-game only.

Miscellaneous

There extra features in the game: Bonus Chapter; Bonus Hidden Object Scenes; Bonus Puzzles; Soundtracks; Wallpapers; Concept Art; Souvenir Room and Game's Strategy Guide. Most of these extra features can be accessed only after the entire game is completed.

Final thoughts: I have found the game enjoyable to a certain extent. The replay value for the game is low. I would recommend the

game but not at the game's full price value.
